

Matthew Seaton

84 Flower Street, Fairfield, Dunedin

DOB: 14/8/1992

Tel: 488 0065, Mobile: 027 7720352

Email: seaton.mg@hotmail.co.nz

Web Page/Portfolio: <http://terrybytes.co.nz>

Skills:

- Experience in office tasks including: time and file keeping , note taking
- Proficient with most computer programs, capable and keen to learn new software
- Experience with most forms of coding including C#, HTML and JavaScript
- Fluent in most programs of the Adobe Creative Suite
- Enjoys working autonomously and as part of a team
- Eager to learn new tasks
- Reliable, honest, hardworking, organised

Personal Statement:

I am a relaxed person who is easy to get along with, with a good sense of humour and work ethic. I am dedicated to jobs I get given and like to see them through to the end. I enjoy drawing and general technical work in my spare time. I would appreciate the opportunity to learn new skills and help others in an employment situation either in the IT area or design, possibly combining the two.

Work Experience:

I have spent six years working on the checkout at Centre City New World working similar tasks and have been given more responsibility in working with the self-checkout area.

Outside of New World, I have been taking up freelance work including artwork commissions, and website development for various clients. I have also done unpaid intern work utilizing virtual reality technology with devices such as LEAP motion and 360 video.

Education:

- NCEA Levels one, two and three
- Courses at Otago Polytechnic
 - Certificate in IT (Level 5)
 - Bachelor of Information Technology (Level 7)
 - Bachelor of Communication Design (Level 7)

Interests:

Computers – graphics, media editing, games, programming, virtual reality

Art – digital illustration and traditional art work, animation, steampunk aesthetic

Music – guitar, piano

Helping around parents lifestyle block
